Sponsor registration deadline: August 15, 2024

What is JA Inspire?

JA Inspire is a career-pathway program for 9th – 12th grade students brought to life by our region’s employers. This program exposes students to jobs, career opportunities, and education pathways while planning their high school coursework.

JA Inspire is comprised of two parts:

1. In the classroom curriculum

Students will learn about careers in various industries and uncover where they might excel in the working world. Students take a Career Interest Inventory, watch a series of videos, complete various activities, and practice self-reflection

2. JA Inspire In-person Career Exploration Event on October 2, 2024

Students will engage with local business volunteers and participate in hands-on activities, often using actual equipment or tools their employees use on the job. The students learn what certain jobs entail and begin to imagine their futures in the context of these career opportunities.
