

JA Career Speaker

VOLUNTEER INFORMATION

About JA Career Speaker

JA Career Speaker volunteers visit a classroom one time to present their personal education pathway and career story to the students with plenty of opportunities for Q&A.

Volunteers can sign-up individually to adopt one JA Career Speaker spot, multiple back-to-back spots, or small/large groups can sign-up to adopt a group of JA Career Speaker spots.

If you would like to volunteer as a group, each career speaker spot corresponds to one volunteer.
